

This is an announcement for boys playing on U13-U16 teams in the Spring - please disregard if it's not you or feel free to pass this on to somebody who is a boy in that age group. This also applies to girls who are considering playing on a boy's team in the Spring.

Plans for Spring

One team - U13

probably most of the same players as the Fall team

playing in AA or premier division

Coached by Jerry Greenwood, as a volunteer coach, so no coaching fee

Goal for roster size would be 15, with a maximum roster of 18

no need to do anything if you played in the Fall and are planning on playing on that team in the Spring.

Please let me know by November 15th, if you are planning on playing, but didn't play in the Fall season

One team - U14 or U15 -

will need to be U15 if the current U14 team plans on staying together, due to a couple of older players - Alex Stigall and Joe McIntosh

playing in A or AA (or maybe even higher), depending on who plays or is added to the team

coached by Jacob White, **so no current HS players are allowed to play on this team**

Coaching fee will be approximately \$125-150 per player

Goal for roster size would be 15, with a maximum roster of 18

no need to do anything if you played in the Fall and are planning on playing on this team in the Spring.

Please let me know by November 15th, if you are planning on playing, but didn't play in the Fall season

One team - U15 or U16, depending on the ages of the players

playing in AA or premier division, depending on who comes out

coached by a paid coach, probably a British coach, unless we can find a qualified local coach - no HS coach can coach his own players during a travel season

Coaching fee will be approximately \$125-150 per player

6 spots to be saved for current NC HS players

no more than 6 players from any HS program, due to IHSAA rules

Goal for roster size would be at least 15, with a maximum roster of 18. Many kids have multiple commitments, so a larger roster would be preferable.

Some players from Jacob's U14/15 may guest play, as needed

Please let me know by November 15th if you are planning on playing on this team or would like to discuss it.
