

Players seeking release from Henry County Youth Soccer (to play with another club) -

Starting this past Fall, Indiana Youth soccer has instituted a "full year" rule for registration. When a player registers with a club, he/she is registered for the Fall and Spring season. To play in another club in the Spring season, he/she must be released by their registering club. Most clubs have "no release" policies, but we will release any player who requests his/her release by November 15<sup>th</sup>. After that date, no player will be released, except on a case-by-case basis. Please request your release via e-mail by November 15<sup>th</sup>.

Please call or e-mail with questions.
